

POSTPONEMENT NOTICE

March 18, 2020

To all Bunny Hoppers:

The **Arlington Bunny Hop 5K** has been **POSTPONED UNTIL JUNE 13**. The Coronavirus pandemic has impacted almost all activities in Arlington County including its schools, and it follows that the Bunny Hop has to be postponed out of an abundance of concern for the health and safety of our participants, volunteers and onlookers.

We are sorry for the inconvenience this may cause. We are all looking forward to our third race in support of Arlington charities. Please check our website for further details including packet pickup times. All other aspects are unchanged, and paid registrations remain in effect--the only real changes are the dates.

Knowing that we are postponing the race, we are hoping that you will be able to join us on **June 13** for the Hop and a fun block party as well as an opportunity to support our Arlington charities.

The Bunny Hop has always been about support of Arlington charities. Over the past two races, we have provided \$20,000 to Bridges to Independence in support of homeless families in our community. Offender Aid and Restoration (OAR), a new beneficiary this year, supports men and women returning to the community from incarceration and offers alternative sentencing options to youth and adults through community service.

If you can't participate on our rescheduled date, we ask that you consider letting us donate your registration fee to charities we continue to support. If you would like a refund for your registration, please email us by the race date, and we will take care to process your request as soon as possible (ArlingtonBunnyHop@gmail.com). We continue to be grateful for your kind support in working with us to make Arlington a better place for all!

Sincerely and thank you for your patience, understanding and support in our efforts to build a stronger community,
